***Information Disclosure Statement***

The information disclosure statement filed November 25,2003 fails to fully comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because Applicant has not provided a date of publication of the first listed reference, (FA 628259/FR 0215117), under Foreign Patent Documents. It has been placed in the application file, but the information referred to therein, with respect to the first listed reference, (FA 628259/FR 0215117), under Foreign Patent Documents has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 ¶ C(1).

Further, it is not apparent that the information listed on the first line under Foreign Patent Documents is actually a foreign patent document.
